INDEPENDENT AUDITORS' REPORT

District Judge Raymond A. Charron
District Court No. 26, Division I
River Rouge, Michigan

We have audited the balance sheet of the District Court Funds of District No. 26, Division I of the City of River Rouge, Michigan (a component unit of the City of River Rouge) as of June 30, 2007. This financial statement is the responsibility of the District Court No. 26, Division I of the City of River Rouge, Michigan's management. Our responsibility is to express an opinion on this financial statement based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

In our opinion, the financial statement referred to above presents fairly, in all material respects, the financial position of the District Court Funds of District No. 26, Division I of the City of River Rouge, Michigan at June 30, 2007, in conformity with accounting principles generally accepted in the United States of America.

The accompanying financial statement does not include management's discussion and analysis, which would present an analysis of the financial performance for the year. The Governmental Accounting Standards Board has determined that this analysis is necessary to supplement, although not required to be a part of, the financial statement.

Our audit was conducted for the purpose of forming an opinion on the basic financial statement taken as a whole. The Supplemental Information listed in the table of contents is presented for purposes of additional analysis and is not a required part of the basic financial statement of the District Court Funds of District No. 26, Division I of the City of River Rouge, Michigan. Such information has been subjected to the auditing procedures applied in our audit of the basic financial statement and, in our opinion, is fairly presented in all material respects in relation to the basic financial statement taken as a whole.

**Notes to Balance Sheet
June 30, 2007**

Note 1 - Significant Accounting Policies

The funds of District Court No. 26, Division I (the "District Court") are Agency Funds. The financial activities of the funds are limited to collection of amounts that are subsequently returned or paid to third parties. Accordingly, the operations of the funds are limited to cash transactions.

The District Court is a blended component unit of the City of River Rouge, Michigan and is included in the general purpose financial statements of the City of River Rouge, Michigan at June 30, 2007. The costs relating to the operation of District Court No. 26, Division I are budgeted items of the City of River Rouge, Michigan's General Fund and, accordingly, such costs are paid by the City's General Fund.

Note 2 - Cash and Cash Equivalents

The District Court's cash and cash equivalents at June 30, 2007 are composed of deposits of \$142,023. The deposits were reflected in the accounts of the bank (without recognition of checks written but not yet cleared or of deposits in transit) at \$126,577. Of that amount, approximately \$100,000 was covered by federal depository insurance and the remainder was uninsured and uncollateralized. The District Court believes that due to the dollar amounts of cash deposits and the limits of FDIC insurance, it is impractical to insure all bank deposits. As a result, the District Court evaluates each financial institution; only those institutions with an acceptable estimated risk level are used as depositories.

Note 3 - Bank Accounts

General Account - General account transactions include the receipt of ordinance fines and costs, state fees, parking fines, bond forfeitures, civil filing fees, interim bonds, constable fees, restitution, and other amounts due to the City and the State.

Bond Account - Bond account transactions represent all bond-related activity.

Note 4 - District Court Funds

The District Court is divided into two separate units, with each unit maintaining its own funds. Only the funds held by District Court No. 26, Division I, City of River Rouge, Michigan are included in the accompanying balance sheet.
